PATENT PENDING

SOUNDBOARD – STEREO SOUND AT ITS BEST

Enjoy music, images and videos from the iPod or iPhone in the most elegant way. No distracting appliances in the room – only a functional shelf on the wall – that's it. Powerful bass and room filling sound from the integrated soundsystem and full connectivity make your home entertainment a sensual experience.

And that's not all. Connect your **HO**HORIZONTAL 51 to your TV or plug your computer in. Make yourself comfortable with the supplied remote control and experience your favourite movies, your videos or your preferred TV shows – all of that in first class Hi-Fi quality.

TRUE COLOURS

H**OR**IZONTAL 51 colours your life

Red, White or Mallow make clear expression of a design without compromise.

Black, Anthracite or Cobalt still are clear in itself, while showing more restraint.

Walnut is devoted to more traditional tastes.

HORIZONTAL 51 - MULTIPLE CHOICE

Yes, you're right, HORIZONTAL 51 basically is not dedicated to please your ears only, but a wall shelf in its own right. And, if you start multiple thinking, it multiplies itself to a colourful shelving ensemble. What's good for your music, must be good for your books, too. Don't you think?
